

World Environment Day celebrations - 6th June 2011

The World Environment Day was celebrated at our terminal on Monday, 6th June 2011. A small function was held in our training hall to mark the celebrations. The World Environment Day pledge was read out by CEO, Mr. Arasu, HOD's and other staff members in attendance.

A short film was also screened which was very inspiring and caught the attention of all.

Ms. Yuvati Sree (D/O Mr. Uthiramoorthy) and Master. Crydon Johnson (Son of Ms. Wendy) gave a brief speech on Environment which was appreciated by one and all.

CEO, Mr. Arasu gave prizes to winners of the drawing competition. The participants were children of our employees. Sapling was planted by CEO & HOD's on the occasion.
