

MESSAGE FROM THE CEO'S DESK

Dear All

My heartiest congratulations to Team CCTL for concluding a successful year of 2015 !

It gives me immense pleasure to state that we have logged 866972 TEU's for the year 2015 against a budget of 850,000 TEU's. I attribute this year's performance to the excellent team work & customer service provided by all the employees & stakeholders for achieving this memorable performance.

On a nostalgic note for the year gone by would like to refer to the major mishap of 2015 and emphatically remind our team on the paramount importance of Safety & Environment. We should solemnly pledge that never again will an incident of this nature occur at CCTL & DP World. Our innate consciousness should comply & adhere to our cherished message of "Safety for all & by all". In this direction we shall pursue our additional measures by continuing night rounds & safety interventions by all senior management staff and further incorporate Safety - KPI's for all staff.

As ever our prime motivation remains customer satisfaction and we need to blend our approach with innovative measures to meet the expectations of today's discerning customer. Chennai Port Trust has embarked on a resurgence mission and various initiatives have been flagged off. The need of the hour is to match our stride with renewed vitality and joint efforts to achieve our mutual goals. This would play a crucial role in sustaining our company goals as well.

Solicit and seek your continued support & commitment for the success of our various endeavors. On this note I wish to conclude by congratulating TEAM CCTL for a wonderful year 2015 and further on this joyous note, solicit your continued persistent efforts to prevail on the future challenges.
